

Chicagolands's # 1 Ice Melt

LIGHTNING™ PREMIUM ICE MELTER

- Blue pattern indicator with no stain or track
- A patterned indicator and particle size makes for less material and fewer applications.
- Specific particle size for better coverage
- One ice melter for all ice and snow events
- Enhanced with corrosion inhibitor
- Eliminates snow and ice as low as -20°F
- Safe on sidewalks, plants and pet friendly when applied as directed
- More particles per square foot

PREACTIVATED & READY TO STRIKE
