

Greenskeeper Glamour Mixture

Great All-around mix for Homes, Playgrounds, Parks & Ball Fields

Greenskeeper Glamour Mixture is a fine-textured blend of permanent, fine-bladed grasses ideal for residential lawns, new construction, and general-purpose areas. It establishes quickly and performs well under both high and low maintenance conditions, delivering consistent color and winter hardiness. With Kentucky bluegrass for durability and turf-type perennial ryegrasses for rapid germination and lasting appearance, this mixture adapts well from full sun to moderate shade while providing an attractive, uniform turf.

Seeding Rate: 5 to 6 pounds per 1,000 square feet
